

Jeanne CARTER

CARTER, Jeanne Helen

It is with deep sadness that we announce the passing of Jeanne Helen Carter on September 27, 2020, after a courageous battle with cancer. She was surrounded with love, at home with her family by her side. Jeanne enriched countless lives through her boundless kindness and generosity. She was a passionate educator, specializing in supporting students with severe developmental challenges, and was a tireless proponent for those who couldn't advocate for themselves. She and her husband Bill fulfilled their lifelong dreams of travelling the world with close friends. She cultivated beauty through her dedication to flowers and gardening. Their award-winning yard was the envy of the neighborhood. Due to current restrictions, a private family service will be held. Information for an online live stream is available at: <https://www.oneromstreaming.com/view/authorise.php?k=1601608289375595>. A Celebration of Life will be held at a later date, to be announced. The family wishes to extend a special thank you to the Gamma Knife and Palliative Care teams, and to all of the Bayshore caregivers who helped Jeanne and her family through such a difficult time. In lieu of flowers, please consider donations to the Canadian Cancer Society.
